Message from the Brewers Guild

The Brewers Guild of New Zealand is proud to present the results of the 2019 Brewers Guild of New Zealand Beer Awards.

In 2019, considerable work was undertaken to update the competition rules and entry process to make it easier for entrants to understand how they can compete. This work was undertaken by the Awards Advisory Committee, Chaired by Tracy Banner, who all volunteered countless hours to ensure that the Brewers Guild of New Zealand Beer Awards remain the most prestigious and meaningful Awards in New Zealand. Thank you for your contribution.

We received the largest number of entries in the history of the competition with 955 beer and cider entries received. Notably, beer entries from New Zealand breweries were up 13% - demonstrating the diversity and innovation of the New Zealand brewing landscape.

All entries were assessed by a large team of judges and supported by a diverse group of stewards. Our Trainee to Judge program continues to develop and the strength of our New Zealand judging pool continues to expand. Both industry, and consumers, can be confident in the integrity and excellence of our judging panel.

I would like to thank all of our judges and stewards, and in particular those who travelled from Australia, who volunteered their time and expertise to ensure the success of our competition.

What sets the Brewers Guild of New Zealand Beer Awards apart from other competitions – is that we celebrate not just the product of beer and cider but also the contributions of broader industry. In 2019, we strengthened the process around our industry awards and introduced Beer Tourism and Brewing Sustainability awards that reflect the importance of these issues for the New Zealand industry. I would also like to thank all of the judges of our industry awards for their time and contribution.

As the industry association for brewing in New Zealand – we continue to be humbled by the effort of our members to collaborate and seek out collective success for our industry. The Brewers Guild of New Zealand Beer Awards would not be possible without our members.

Finally, I would like to congratulate all of the winners from this year's Awards. The Brewers Guild looks forward to working with you to celebrate your success and showcase your stories. You can find the results of the Awards on the NZ Ale Trail – www.nzaaletrail.com.
