MESSAGE FROM THE BREWERS GUILD

Welcome to the 2023 New Zealand Beer Awards catalogue of results. As always this is one of the best parts of the event, so without further ado, on behalf of the Brewers Guild of New Zealand we are proud to present the results of the 2023 New Zealand Beer Awards.

A relatively new(ish) team have pulled the judging and awards events together this year, and I want to take this opportunity to say thank you to two individuals who came on board this year. Jo Gear and Jo Buckland-Stevens are both relatively new to the brewing industry but hit the ground running and have worked extremely hard to get us to this point. The skill and knowledge to bring together an awards event of this scale is no small feat, so thank you very much.

This year we have received 825 entries across 15 classes, from 80 entrants. That is almost an identical number to last year's event, and interestingly the split between packaged and keg entries is almost identical too. Receiving over 800 entries again this year is particularly heartening as we know what a challenge the past twelve months have been for the brewing industry. We appreciate every one of you making the effort to support the awards with your entries.

We have again welcomed judges from across the Tasman, who always add strength and diversity to our judging pool. To our judges from near and far, we couldn't do this without you, so thank you for your commitment and time. We are thrilled this year to have really embraced our 'steward to judge' programme, and several stewards and trainee judges have moved into new roles. This programme is extremely important to the Guild and to the industry as we work together to grow and develop a strong judging pool.

The heart of the operation, as always is the 'back room', where our volunteer stewards, sort, pour and move hundreds of glasses of beer over the three days. Their professionalism, camaraderie and unwavering attention to detail is something quite special. A huge shout out too must go to Konvoy – both for sponsoring the New Zealand Beer Awards judging and for running the keg area. Often cold and sometimes a little wet, yet the keg team never fail to deliver on what is possibly the most physically demanding job at the event.

Cheers also to both Head Judge Tina Panoutsos and Head Steward Helen Matthews, who are a formidable team, always making the entire process seamless.

When I first came on board, and for an outsider looking in, the New Zealand Beer Awards is a seamless operation that seems to flow with some sort of 'wizardry' running the back end. What I have learnt is that the work behind the scenes to get us to this point of announcing results, is the culmination of many people, many hours, much experience and skill and a lot of fun, good energy and a great industry driving it all.

It is a privilege to be a part of an industry that is so passionate, and an event that is so worthwhile. This year the focus of the Guild is to connect, collaborate and celebrate and what better way to kick that off than right now! Congratulations to all the winners from this year's awards!

BREWING SUSTAINABILITY AWARD

SPONSORED BY NEW WORLD

Sawmill Brewing Co

Matakana

Sawmill has been a consistent entry in the NZ Beer Awards sustainability award and it's great to see that they are thinking about the brewery's impact on water, wastewater, energy efficiency, packaging, waste and carbon reduction. The judges all appreciated Sawmill's focus on their social responsibility programme, in particular the wastewater project to reinstate the wetland. Sawmill continue to strive for excellence in their sustainability journey which is wonderful to see.
